7.3.2 POPIA: Including, but not limited to, the following: IO Registration Certificate; data breach records; retention records; awareness training.

7.3.3 Further information which may be made available upon request.

7.4 The above-mentioned records may be requested; however, it should be noted that there is no guarantee that the request will be honoured. Each request will be evaluated in terms of PAIA and any other applicable legislation.

## 8 Request Process

8.1 An individual who wishes to place a request must comply with all the procedures laid down in PAIA.

8.2 The requester must complete Form 02 of PAIA Forms (Request for Access to Record) herein, is attached hereto and submit it to the IO at the details specified herein.

8.3 The prescribed form as well as payment of a request fee and a deposit (if applicable) must be submitted to the IO at/via the postal or physical address, fax number or email address as is stated herein.

8.4 The prescribed form must be completed with enough particularity to enable the IO to determine:

8.4.1 The record(s) requested;

8.4.2 The identity of the requestor;

8.4.3 What form of access is required; and

8.4.4 The postal address or fax number of the requestor.

8.5 The requestor must state that the records are required for the requestor to exercise or protect a right and clearly state what the nature of the right is so to be exercised or protected. An explanation of why the records is requested is required to exercise or protect the right.

8.6 The request for access will be dealt with within 30 (thirty) days from date of receipt, unless the requestor has set out special grounds that satisfies the IO that the request be dealt with sooner.

8.7 The period of 30 (thirty) days may be extended by not more than 30 (thirty) additional days, if the request is for a large quantity of information, or if the request requires a search for information held at another office of the company and the information cannot be reasonably obtained within 30 (thirty) days. The IO will notify the requestor in writing should an extension be necessary.

8.8 The IO must communicate a response to the request for access using Form 03 of PAIA Forms (Outcome of Request and of Fees Payable) herein. This communication shall inform the requestor of:

8.8.1 The decision; and

8.8.2 Fees payable.

8.9 In the event that the IO is of the opinion that the searching and preparation of the record for disclosure would amount to more than six (6) hours, he/she shall inform the requestor to pay a deposit not exceeding one third of the amount payable.

- 8.10 Should the requestor have any difficulty with the form or the process laid out herein, the requestor should contact the IO for assistance.
- 8.11 An oral request can be made to the IO should the requestor be unable to complete the form due to illiteracy or a disability. The IO will then complete the form on behalf of the requestor and provide a copy of the form to the requestor.
- 8.12 Form 2 of POPIA Forms (Request for Correction or Deletion) herein, is used by a data subject to request the correction of inaccurate, outdated, incomplete, irrelevant, or misleading personal information, and/or the deletion or destruction of personal information that is no longer necessary or unlawfully obtained, in accordance with Section 24(1) of POPIA. It ensures that responsible parties maintain accurate and lawful records of personal data.
- 8.13 Form 3 of POPIA Forms (Application for the Issue of a Code of Conduct) herein is used by an industry body, profession, or class of entities to apply for the issuance of a Code of Conduct under Section 61(1)(b) of POPIA. It allows industries to self-regulate how personal information is processed within their sector, in line with the conditions for lawful processing.
- 8.14 Form 4 of POPIA Forms (Request for Consent – Direct Marketing) herein enables a responsible party to formally request a data subject's consent to receive direct marketing communications via unsolicited electronic means (e.g., SMS, email), as required under Section 69(2) of POPIA. It ensures that individuals have control over whether and how they are marketed to.
- 8.15 Form 5 of POPIA Forms (Complaint Regarding Interference with Personal Information) herein allows a data subject or complainant to submit a complaint to the IR concerning unlawful interference with personal information; or a determination made by an adjudicator under POPIA. It provides an avenue for recourse and investigation in cases of non-compliance with data protection obligations.

## 9 Grounds for Refusal

The following are grounds upon which the company may, subject to the exceptions in chapter 4 of PAIA, refuse a request for access in accordance with chapter 4 of PAIA:

- 9.1 Mandatory protection of the privacy of a third party who is a natural person, including a deceased person, where such disclosure of personal information would be unreasonable.
- 9.2 Mandatory protection of the commercial information of a third party, if the records contain:

## 14 Planned Transborder Flows of Personal Information

- 14.1 General description of information security measures to be implemented by the responsible party to ensure the confidentiality, integrity and availability of the information:
- 14.1.1 Encrypted data backups are performed regularly and stored securely in separate controlled locations.
  - 14.1.2 Access to information, systems, and backup environments is restricted to authorised personnel only.
  - 14.1.3 Information is handled in line with internal classification rules, with secure storage, controlled access, and proper procedures for transfer, archiving, and disposal.
  - 14.1.4 Devices connecting to company systems must have updated software, anti-virus protection, and comply with security requirements.
  - 14.1.5 Password protection includes strong password rules, regular password changes, account lockout controls, and MFA for privileged accounts.
  - 14.1.6 Microsoft security controls (Azure AD, conditional access, Defender, firewalls, secure VPN, and Zero Trust principles) are used to protect systems and data
  - 14.1.7 Server environments are secured through patching, configuration controls, encrypted access, monitoring, and physical access restrictions.
  - 14.1.8 End-of-life equipment undergoes secure data erasure or physical destruction before disposal.
  - 14.1.9 Employees receive ongoing security awareness training on data protection, password safety, phishing, and incident reporting.
